

# Surečenice svrhe, namjere i posljedice (Clauses of Purpose, Intention & Result)

Da bismo izrekli nečije namjere ili svrhu činjenja nečega, u engleskome jeziku koristimo tkz. "surečenice svrhe i namjere" (Clauses of Purpose and Intention). Njih ćemo prepoznati jer koriste slijedeće riječi i izraze:

1. **to + infinitive**; infinitiv uvijek izriče namjeru
  - *Mary went to the groceries **to buy** some vegetables.*
  - *I visited him **to speak** to him about some very important matter.*

### Odrični (Negacijski) oblici

Za izricanje namjere odricanja ili sprječavanja, vrlo često koristimo izraze:

**prevent + noun/pronoun + from + ing** –

- *I parked the car under a tree to **prevent it from getting** too hot.*
- *The police was called **to prevent** riots.*

### Veznici svrhe i/ili namjere

#### \*So (that) ili in order that? In order to

Za izricanje svrhe i/ili namjere, koristimo izraze **so that** i/ili **in order that**. Najčešće ih koristimo s modalnim glagolima, pri čemu je **so that** uobičajeniji svakodnevni izraz, dok je **in order that** više služben.

- *I'll go by car **so that** I can take more luggage.*
- *We left a message with his neighbour **so that** he would know we'd called.*
- ***In order that** you can sign the form, please print it out and mail it to this address.*

U izrazu **so that**, u svakodnevnom govoru vrlo često se izostavlja **that** :

- *I've made some sandwiches **so (that)** we can have a snack on the way.*

Kada izričemo buduću radnju, uz izraz **so that** možemo upotrijebiti present simple i/ili *will/'ll*. Međutim, poslije izraza **in order that** upotrijebit ćemo uglavnom present simple za izricanje buduće radnje:

- *I'll post the CD today **so that you get** it by the weekend. (ili ... **so that you will get** it ...)*
- *We will send you a reminder **in order that** you arrive on time for your appointment. (ili... **so that** you arrive on time ... ili ... **so that** you'll arrive on time ...)*

**So that** (ali ne i **in order that**) također može značiti i 'kao zaključak nečega':

- *The birds return every year around March, **so that** April is a good time to see them.*
